**PRESIDENT'S REPORT**

**WEST WALLSEND WORKERS CLUB 2018 - 2019**

Dear fellow Members

It has been an honour to serve the West Wallsend Workers Club as your President for the past twelve months and I would like to thank the Chief Executive Officer, David Jackson, fellow Directors and staff for their assistance and cooperation in running this fine Club.

The financial year was not as challenging as previous years, although we are still working in a strong competitive environment but through your continued patronage, the Club has been able to increase its profit on the previous year. Costs are ever on the increase and the CEO, David Jackson, is to be commended in keeping a strong control over expenses. He will provide further information on the finances in his report.

As predicted, the relocation of the poker machines has not only changed the aspect of the Club but has contributed to a substantial increase in poker machine income.

The Club along with the Sugarvalley Neighbourhood Centre host the ANZAC Day Service which is becoming more popular each year.

The year ahead will again present many challenges; however, our members can be assured your Directors will always strive to ensure your Club continues to prosper and meet your expectations.

In conclusion, I wish to thank the members for their support and I trust that this support continues in the years to come.

Peter Dempsey  
President
