PRESIDENT'S REPORT

WEST WALLSEND WORKERS CLUB 2019 - 2020

Dear fellow Members

It has been an honour to serve the West Wallsend Workers Club as your President and to welcome new director, Jeffery Steele.

Since March 2020, the Club has faced many challenges due to the COVID-19 pandemic. This included the closure of the Club for a period, restricted trading hours and changes to admittance to the Club. CEO David Jackson worked tirelessly to ensure that the Club was COVID safe and patrons remained healthy.

I would like to thank the Chief Executive Officer David Jackson and staff for their dedication and cooperation during this extremely challenging time.

One wonders if we will ever return to normal, after we defeat this virus.

Despite the coronavirus crisis affecting trading, the Club has been able to increase its net profit on the previous year. Costs are ever on the increase and CEO David Jackson is to be commended in keeping a strong control over expenses. He will provide further information on the finances in his report.

The year ahead will most likely present further challenges, however, members can rest assured that your directors will always strive to overcome these challenges.

In conclusion I would like to thank you, our loyal members, for the support you have shown the Club. I would also like to thank my fellow Board members who collectively have worked to make our Club a great club.

Peter Dempsey JP
President
