**PRESIDENT'S REPORT**

**WEST WALLSEND WORKERS CLUB 2020 - 2021**

Dear fellow members

It remains an honour to serve the West Wallsend Workers Club as your President.

The COVID-19 restrictions are still current. This continues to bring many challenges including the closure of the Club for a prolonged period. CEO, David Jackson has worked tirelessly to ensure that the Club has remained COVID safe and ready for reopening.

I would also like to thank David and staff for their dedication, particularly in respect to the upstairs renovations which are nearing completion. This will lift the image of our Club and provide many continuing benefits to our members. David is to be commended in keeping a strong control over expenditure so that the Club continues to be financially successful into the future.

The road ahead will continue to present further challenges; however, members can rest assured that your directors will always strive to overcome these challenges.

I would also like to thank David Walker, who is resigning from the Board this year, for his service to the Club over the years.

In conclusion I would like to thank you, our loyal members, for the support you have shown the Club. I would also like to thank my fellow board members who have collectively worked to make this a great facility.

Peter Dempsey JP  
President
