**PRESIDENT'S REPORT**

**WEST WALLSEND WORKERS CLUB 2022 - 2023**

Dear fellow members

Another significant year has passed and I consider it an honour to serve the West Wallsend Workers Club Limited as your president, and I thank you for the opportunity conferred.

Our Club continues to prosper, and I extend congratulations to David Jackson, our Chief Executive Officer, together with the valuable assistance of his dedicated staff who continue to work tirelessly to ensure our Club remains financially viable. The trading income of \$397118 during the year is the highest ever recorded. Growing support from the members has contributed to our success and provides benefits to us all.

Additionally, the strong control by management of operating costs is to be commended as this also contributes to results and fosters financial success into the future. David was unexpectedly out of action for a period of time this year due to injury. Many thanks to Margaret and Leah who were of great assistance.

The now completed upstairs renovations have been well received and have contributed to a successful trading period. Additionally, the outside eating area is now complete, and we envisage this will also be a great success for the Club.

In conclusion, I wish to record my sincere appreciation to my fellow Directors, Club management and the staff for the loyalty and support you have shown to both myself and our Club during the year. Collectively we strive to provide our great local facility.

Peter Dempsey JP  
President
